WHAT WE OFFER

01 EXPERT TRANSCRIPTS

Expert Transcripts

Verbatim, MNPI-screened conversations with former C-suite executives, VPs, directors, and senior practitioners. Each transcript is compliance-reviewed and instantly downloadable as a PDF — primary source intelligence for thesis-driven research.

02 EARNINGS ANALYSIS

Earnings Analysis

Structured, analyst-quality coverage on quarterly results. EPS and revenue beats / misses, management commentary, guidance highlights, and key risks — concise and actionable for portfolio managers making real-time calls.

WHY TRANSCRIPT IQ

Built for the way institutional investors actually work.

From on-the-ground channel checks to real-time earnings intelligence, Transcript IQ delivers research that's sourced, structured, and screened — so your team focuses on insight, not process.

KEY DIFFERENTIATORS

EXPERT ACCESS

People who were in the room.

Former CEOs, CFOs, VPs, and directors across sectors and geographies. Profiles cover operational and strategic levels — giving you the right perspective for every investment thesis.

COMPLIANCE-FIRST

MNPI-screened, every time.

Every conversation is reviewed for material non-public information before delivery. Our compliance framework gives institutional investors confidence to act on what they read.

SECTOR & GEO DEPTH

Coverage where it counts.

Technology, healthcare, financials, industrials, consumer, energy — and beyond. Transcript IQ covers the sectors and geographies that matter to buy-side teams globally.

INSTANT DELIVERY

No waiting. No delays.

Transcripts and analysis are delivered as PDFs upon purchase. For custom engagements, we target the fastest turnaround in the market without compromising quality or compliance.

DESIGNED FOR

- Long-only fund managers & analysts
- Hedge funds & alternative investment firms
- Private equity & venture capital teams
- Corporate strategy & M&A teams
- Sell-side research desks
- Sovereign wealth & family offices
